

What is the Bursary Fund?

In 2011 the Government introduced the 16-19 Bursary Fund for eligible students which replaced Education Maintenance Allowance. The Bursary Fund is a cash-limited fund which aims to provide financial assistance to young people whose access to, or completion of, education is inhibited by financial constraints or barriers.

For eligible students the fund can help towards the cost of essential course-related costs such as travel to Sixth Form, meals in the school day, equipment, books and essential educational trips during the current academic year.

Receipt of a bursary is conditional on the student meeting agreed targets set by John Masefield Sixth Form, based on attendance, standards of behaviour and learning outcomes.

The amount of each award will be assessed and disbursed on an individual, case by case basis as detailed in the individual's application form.

JM Sixth Form may offer bursaries in the form of non-cash "in kind" payments where appropriate, such as travel passes, attendance on course related school trips etc. Any equipment purchased by JM Sixth Form for use by an individual learner remains the property of JM Sixth Form and must be returned upon completion of or withdrawal from the course.
