<i><b>SUCCESS TIPS</b></i>		
<ul style="list-style-type: none"> <li>You will sit 3 exams in the summer of Year 11.</li> <li>Ensure you understand the demands of each question by annotating each part. Use the PEEC method for your answer: Point, Evidence, Explain, Link. Ensure you include detailed information.</li> <li>Develop a repertoire of revision techniques that work for you. These might include mind maps, revision cards, acrostics, poems, images, mnemonics</li> <li>You will be given a revision pack and folder for each exam unit. Make sure it is organised and personalised. Take control of your chances of success.</li> <li>Use the "How do I revise?" video to help you (available on the CD and the shared area)</li> <li>Complete all exam-style homework and assessments in realistic timed conditions. When finished, use your notes to highlight where you need to put in more work.</li> <li>Extra and wider reading as well as watching relevant documentaries will help you to gain further insight into the topics being covered in class.</li> <li>Practice exam style answers using the list of previous questions. The best responses include key terms and specific examples.</li> <li>Ensure you know the lay-out of all papers and familiarise yourself with the timings to maximise your writing time in each exam.</li> <li><b>Use the resources available on the CD provided by your teacher. Here you will find revision sheets, exam advice, powerpoints.</b></li> <li>You could also use the following websites to support your revision:  <a href="http://www.learnhistory.org.uk/usa/index.htm">http://www.learnhistory.org.uk/usa/index.htm</a>    <a href="http://www.learnhistory.org.uk/coldwar/index.htm">http://www.learnhistory.org.uk/coldwar/index.htm</a>  <a href="http://www.learnhistory.org.uk/germany/index.htm">http://www.learnhistory.org.uk/germany/index.htm</a> </li> </ul>
