The 9 to 1 grading scale will better differentiate between the highest performing students and distinguish clearly between the old and new exams.

Grade 9 is the highest grade and will be awarded to fewer students than the A*

The old and new GCSE grading scales do not directly compare but there are three points where they align:

• The bottom of grade 7 is aligned with the bottom of grade A

• The bottom of grade 4 is aligned with the bottom of grade C

• The bottom of grade 1 is aligned with the bottom of grade G
