

## ROAD CLOSURES AFFECTING BUS ROUTES INTO JMHS

### Trumpet Crossroads (A438/A417/A4172)

Balfour Beatty Living Places/Tarmac, on behalf of Herefordshire Council will be carrying out essential carriageway resurfacing works starting on **Wednesday 21 November 2019 – Tuesday 27 November 2018**. A road closure will be in force each day starting at 09.00 hours until 17.00 hours. The road will re-open at 17.00 hours each evening. There will be no weekend working.

This will affect the following buses:

1. DRM 476 service bus between Ledbury and Hereford.  
NO AFTERNOON service can be provided between Trumpet on the A438 and Viaduct New Mills roundabout near Ledbury. The DRM buses will detour at Trumpet onto the A4172 to Preston Cross and then onward to serve Ledbury via Much Marcle. Students living between the Viaduct New Mills Roundabout and the Trumpet crossroads have been contacted and alternative plans put in place.

### Stoke Edith Crossroads (A438/C1148/U72212)

Balfour Beatty Living Places/Tarmac, on behalf of Herefordshire Council will be carrying out essential carriageway resurfacing works starting on **Wednesday 28 November 2019 – Friday 30 November 2018**. A road closure will be in force each day starting at 09.00 hours until 17.00 hours and will impact the junctions of A438, C1148, U72212. The road will re-open at 17.00 hours each evening.

This will affect the following buses:

1. DRM 476 service bus between Ledbury and Hereford.

The route Hereford to Ledbury home will detour at Bartestree pitch A438 thus missing St Michaels Hospice/ Dormington as it moves across the detour to the Worcester A4103 road out to Lower Eggleton crossroads and back on A417 to Trumpet. Exceptionally the school 476 service time bus will return to Tarrington village (only 1 of the 2 buses to Ledbury at that time)

This closure will clash with the Much Marcle closure and plans for the following buses will be advised shortly.

2. Buchanans MH018 school bus between Preston Cross, Much Marcle, Old Pike, Rushall, Kynaston, Aylton, Woodside.

Route change required here – to be advised

3. Ledbury CVA minibus via Yatton

Route change required here – to be advised

### **B4214 Storesbrook Bridge, Ledbury**

This will affect the following buses:

1. DRM 874 to Storridge via Bosbury Coddington, Old Colwall, Mathon and Cradley
2. First Midland Red Service to Cradley via Bosbury

Please see attached timetable for alternative routes and timings.

3. Tuesday late bus Route 2 to Bosbury, Mathon, Cradley, Fromes Hill, Stretton Grandison and Ashperton.

### **Much Marcle Crossroads (A449,C1294, B4024)**

Balfour Beatty Living Places, on behalf of Herefordshire Council will be carrying out resurfacing works starting on **Wednesday 28 November to Monday 3 December from 09.00 – 17.00 each day**. There will be no weekend working.

They will be resurfacing a few small patches along the A449 and at the junction of the B4024, and then applying a new anti-skid surface along the A449 where required. Whilst these works are underway, they will be operating two-way traffic lights on the A449. The C1294 shall remain open to traffic at all times whereas the junction of the B4024 will be closed whilst the works are underway and there will be no through traffic at this junction.

This closure will clash with the Stoke Edith closure and plans for the following buses will be advised shortly.

1. Buchanans MH018 school bus between Preston Cross, Much Marcle, Old Pike, Rushall, Kynaston, Aylton, Woodside.

Route change required here – to be advised
