Live and Interactive talks from inspirational speakers

With schools closed and regular lessons stalled, it's more important than ever that students receive the high quality careers education they need.

With that in mind, Springpod has launched Learn Lounge: free talks and lessons from inspirational speakers who are experts in their fields. They'll be covering a whole range of topics - from career stories to advice on employability skills.

30 minute virtual lessons and talks scheduled twice a day - at 10:30 am and 2:30 pm.
