29th June	File Types	Explore graphical files – building on Photography project.
6th July	Copyright	Explore legal issues – building on Photography project.
End of Year		

With all work, you write using your own words and if you use a website to help you for some facts, state the website used at the bottom of the work. This can be used for your year 10 project – if you do not complete this, you may need to catch up during year 10.
