

Appendix 4 – Example assessment tracker

Assessment Tracker - Homework					
Block and topic	Strengths and targets			Next Steps	
1 - Rounding and approximation 		I can round large numbers to significant figures			
		I can round small numbers to significant figures I			
		I can approximate by rounding to 1 s.f.			
		I understand the importance of the order of operations when approximating			
		I can find the largest and smallest numbers that round to the same value			
		I can find the limits of approximations			
2 - Formulae 		I can write formulae to express relationships			
		I can substitute values into a formula			
		I can find variables that are not the subject of a formula			
		I can rearrange equations to change the subject			
		I can solve an equations using a trial and improvement method			
3 - Ratio and proportion 		I can problems using proportional reasoning			
		I can work out which item represents best value for money			
		I can simplify ratios and express a ratio as a fraction or percentage			
		I can split quantities in a given ratio			
		I can use ratios to find other values			
		I can solve problems involving multiple ratios
