JMHS students achieve strong results at GCSE

Year 11 students, and staff at John Masefield High School celebrated strong results in their GCSE examinations this morning. Staff are immensely proud of students who have worked hard to achieve excellent results.

Over 10% of the grades achieved were at the top grades of 8 or 9, with over 70% of entries in English, mathematics and sciences at a grade 4 or above.

Particularly strong subjects included German, food and nutrition, chemistry and physics where over a quarter of students achieved the top grades of a 7, 8 or 9.

The following students are deserving of recognition for their outstanding results:

Hosanna Taylor-Black: Six Grades 9s, three Grade 8s

Meryl Phillips: Five Grade 9s, three Grade 8s

Daisy Ruddick: Two Grade 9s, six Grade 8s, three Grade 7s

Ben Wilson: Two Grade 9s, five Grade 8s, one Grade 7

Bella Hughes: Two Grade 9s, four Grade 8s, two Grade 7s

Ellen Adams: Two Grade 9s, four Grade 8s, two Grade 7s

This is an exceptional achievement for all of these individuals and many other students have worked very hard and achieved the strong grades they deserved.

Dr John Holmes, Headteacher, congratulated students, *'We are delighted for our students and the fantastic results they have secured today. These successes are the result of their great effort, diligence and resilience, supported by excellent teaching and the encouragement of family and friends. It has been a pleasure to work with them, and we wish them all the very best.'*
