

Ledbury Food Bank invitation to attend during the school Christmas holidays

Dear Parent or Carer,

Very shortly your children will be home from school for the annual Christmas holiday, which can be a very expensive time for everyone. During this exciting period, your children will not be getting their midday meal in school, and the extra expense of Christmas also puts pressure on the family budget.

Ledbury food Bank is there to help families over this difficult time, and we would like to invite you to come along on the dates at the bottom of this letter.

Those of you who have been before will know that we can be found upstairs at Saint Katherine's Hall, in the middle of Ledbury, on Wednesdays and Fridays from 10.00am until 12.00 midday. You will be met by friendly helpers who will be happy to help you find the fresh, dried and tinned goods that will be useful to make nutritious meals for the family. We stock a wide range of foods, including fresh vegetables, cheese, bacon and eggs, along with a variety of cereals, pasta and tinned meats, fruit and vegetables. You will also be offered a range of everyday items such as sugar, tea, toilet rolls, laundry tabs and some personal toiletries.

Please bring this letter with you on your first visit. We look forward to welcoming you.
