### Assessment

Financial awards will be based on your individual circumstances. Please note bursaries will be prioritised and support is based upon funding availability at the time of your application and once exhausted there will be no further funding available. You should be aware that a financial reimbursement for your expenditure is not guaranteed

- Priority Group 1: Full bursary of up to £1.2k (eligibility shown in point 1 above)
- Priority Group 2: For students whose parent/carers have a gross annual household income of less than £20,817
- Priority Group 3: For students whose parents/carers have a gross annual household income of £20,818- £30,810
- Priority Group 4: All other students who do not meet the criteria for other priority groups listed above but who may have exceptional circumstances which will need to be reviewed on a case-by-case basis.

*NB: Payments are made directly to students by BACS so they will need to have their own bank account.*

Your application will be assessed and you will be notified of my decision at the beginning of October. If you are successful, a letter will be sent which will confirm details of how and when the money awarded will be paid.
