## Key Vocabulary for Summer Term Overviews

**Language** In drama, the particular manner of verbal expression, the diction or style of writing, or the speech or phrasing that suggests a class or profession or type of character.

**Levels** The intensity of a lighting or sound level. Physical levels of actors on the stage help to indicate status.

**Mood and atmosphere** The tone or feeling of the play, often created by the music, setting, or lighting.

**Naturalism** A style of drama that developed in the late 19th century as an attempt to represent real life on stage faithfully and without artifice. The actions of characters tend to be dominated by determinism (societal or environmental forces).

**Pace** The speed at which someone or something moves, or with which something happens or changes.

**Pause** A break in speaking, period of silence.

**Performance space** The area within which the actor may move in full view of the audience.

**Period** When all the facets of a production are carefully aimed towards representing a specific period in history.

**Physical theatre** Style of theatre that puts emphasis on movement rather than dialogue. It's often abstract in style, using movement in a stylised and representational way.

**Pitch** The particular level (high or low) of a voice, instrument or tune.

**Plot** The events or story of a play or arrangement of action, as opposed to the theme.

**Posture** Physical alignment of a performer's body, or a physical stance taken by a performer which conveys information about the character being played.

**Projection (vocal)** Directing the voice out of the body to be heard clearly at a distance.

**Refine** Make minor changes to improve.

**Rehearse** Practice or preparation of a drama.

**Research** Systematic investigation to establish facts. a search for knowledge.

## Key Vocabulary for Summer Term Overviews

**Social, cultural and historical context** Circumstances of the time the play is set in. It refers to the physical and social setting including the culture, education and people.

**Spatial relationships** Sometimes referred to as proxemics, referring to spatial signifiers of the relationship between different performers or a performer and elements of the set which convey information about character and circumstances.

**Stage positioning** Different places/areas on stage.

**Stimuli** Something that gives you an idea – an inspiration, a starting point. It is the beginning of the creative process.

**Style** The way the drama form is presented on stage.

**Subtext** The underlying and often unspoken thoughts and motives of characters – what they really think and believe.

**Volume** Loudness or quietness of the voice.
