

# Independent Study

In German you should...

## 1. After each lesson

It is essential that after each lesson you learn the vocab seen in class and review your notes.

**AQA topic vocab lists/ Word for word**

You can also choose to learn vocabulary using **memrise and/or quizlet**.

## 2. Weekly

Homework on Epraise.

You will get a mix of listening/reading/writing/translation tasks from each teacher as well as short research tasks.

Even if vocabulary learning is not mentioned on e-Praise, please learn/revise the vocab from the week.

## 3. Fortnightly

Further independent online research on the topic studied.

It is important you explore the themes discussed and/or events mentioned in class.

Deutsche Welle videos and articles, the Goethe Institute and Planet Schule are all excellent sources for further reading, especially culture and events:
