Year Leaders and Tutors

Form Tutors take a holistic approach supporting students with their studies, organisation and pastoral issues. If there is an issue you wish to discuss with us as a school, we would encourage you in the first instance to contact your child's Form Tutor.

Year Leaders oversee the work of the Form Tutors, deal with more complex pastoral and behavioural issues and set high standards for their Year Group. Year Leaders work closely with parents if any serious issues occur that need to be resolved.
